

Welcome to Floris' House

Dear guests,

I hope you will enjoy your stay at my house. Below you can find some of the most important information about my house. Attached is also an easy checklist for when you arrive and leave. Have fun in Rotterdam.

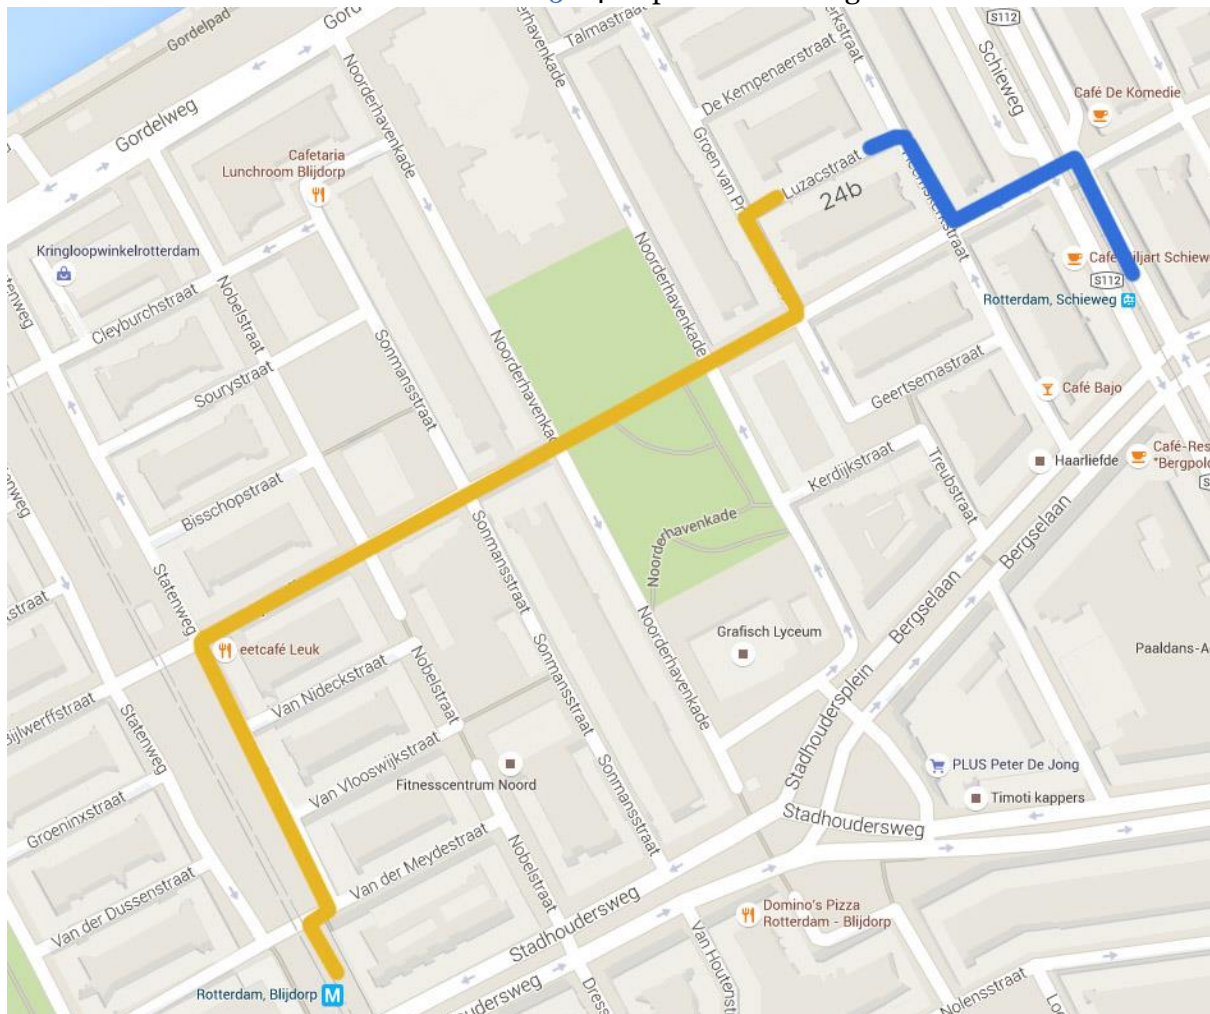

Kind regards,

Floris

Directions

From Rotterdam Central Station. Take **Metro E** - 1 stop - to Blijdorp

or Take **Tram 25** - 4 stops - to Schieweg.

Keys

Please leave the key-box outside (there is a spare key in there). Please put the keys back in the key-box and hang it in front of nr 26 again (also scramble the numbers after locking) when you leave.

Drinks

In the upper-left cupboard you can find tea and coffee. In the fridge, there is syrup. Feel free to bring and store your own drinks and food in my house. See drinking glasses in the cupboard on the other side of the dining room.

Wi-Fi

The Wi-Fi is called Floris' Wi-Fi. The code is WelcomeHome24.

Things to use

In the bathroom, you can find towels (bottom cupboard).

Feel free to use all the shower gels, shampoo, etc. (and leave a message on the door)

In the living room, you can find loads of books, feel free to read them.

Things to know

The keys are for the front door and living room door. The key for the bedroom is in the door.

The bedroom is two flights of stairs up. The main staircase is shared with my neighbour, she has her own stairs inside her house. In the unlikely event that you see her you can say hi (she knows the house is AirBnB'd), but most probably you won't see her.

In the bedroom, there is also a saxophone, feel free to try it out during the day. But like all sounds, try and keep it quiet in the evening/night.

Turn the water-temperature of the shower slowly. If you turn it up very fast/too far, you will break/reset it. Its sensitive, turning it a little is enough to make it hot/cold.

About Floris

I have my own company www.queal.com but do like to take vacations

I also write a blog on www.floriswolswijk.com

And I organize Effective Altruism Rotterdam meetups www.earotterdam.nl

Where to find things

Sheets

If you're with a group of 3 or 4 people you can use the couch for an extra bed. The sheets are inside of the couch. Please leave them in the washer (left in the kitchen) when you leave.

Trash

You can leave plastic & glass bottles outside on the balcony. Plastics and other go in the bin. If the bin is full you can get a new bag from under the sink. You can throw a full bag in the container just left around the corner of the street. Cleaning utilities are also under the sink.

Cooking

If you want to make your own food, you can use the utensils from the whole kitchen. Please run & clear out the dishwasher before you leave. Use the lighters from the drawer to light the fire.

Medical

A small medical kit is located in the bathroom.
